Technology Take-Home Permission Form

The computer that your child is being issued is an educational tool and should only be used in that capacity. Failure to comply with the Student Computer Acceptable Use Policy and these guidelines will result in loss of take-home privileges.

Before a student is granted permission to take their assigned technology device home, he/she and his/her parent or guardian must sign the attached permission form.

Before the technology is assigned to a student, the parents or guardians must assume financial responsibility for the equipment by signing the attached Technology Agreement Form. The approximate replacement cost of the technology is \$500.

If the technology has a failure of an internal part, it is covered by a warranty and will be repaired at no cost. **If the technology assigned to your child is lost, stolen or damaged through negligence, vandalism, or failure to follow the proper care guidelines, then you are responsible for the cost of repair or replacement.**

When technology is taken home by the student, it must be returned to the school on the next school day. Failure to return the equipment on time may result in loss of the privilege of taking the equipment home again. It is expected that the equipment will be returned to school with a fully charged battery for use during the school day.

All technology is the property of Donna J Beasley Technical Academy. Donna J Beasley Technical Academy reserves the right to demand the immediate return of the equipment at any time. The technology should only be used by the student who has signed the agreement.

If you, as the parent/guardian, would rather that the technology NOT be brought home, please inform us by checking the appropriate selection on the form and we will honor this request.
