

Message from the principal;

Dear Parents, Students, Staff, and School Community,

It is with great pride and joy that I welcome you to Donna J Beasley Technical Academy!

To our new students and families, welcome to the Donna J Beasley family! We're thrilled to have you join us and look forward to being part of your academic life.

To our returning students, we're thrilled to have you back, ready to unleash your potential.

Thank you to our incredible educators and staff. Your passion and commitment are the heart of our success and mission. Working together, we'll continue to create an environment where everyone can learn and thrive.

Parents, your commitment is important to your child's success. We encourage you to actively participate in their education, and we look forward to partnering with you. We are honored to collaborate with you on this educational journey

At Donna J Beasley Technical Academy, we are committed to fostering empathy, resilience, and academics. We'll continue to incorporate educational practices and technology to prepare our students for a better future. We also provide a pathway to trades, starting with Core and Electric 101. Additionally, we are committed to provide a safe, stimulating learning environment where every student can grow academically.

Students, get involved! Join our student government learn invaluable lessons in teamwork, leadership, and time management, and enhance your overall school experience.

I wish everyone a successful and fulfilling year. Let's approach each day with wonder and determination, knowing that together, we can achieve anything.

Thank you for your continued support. Let's make this school year, a year of growth, learning, and lasting memories.

Respectfully,

Lorena Peters
School Principal
